

## Bureau Plans Health Quiz

Several Torrance families will be interviewed in the first nationwide public health survey since 1936, according to Jeannette Dennie of the United States Census Bureau. The information is being compiled for use of the United States Public Health Service, state health agencies, and various welfare agencies, and is sought to determine what the average person's health record and problems really are. Miss Dennie will seek to get information on the amount, distribution, and effects of illness and the services they received for it. Since the last survey in 1936, several factors have changed—economic conditions, expanded health programs, and the introduction of wonder drugs.

### LEAP INTO SPRING WITH LINOLEUM!

Time will come when the world is fresh and you'll want your home to reflect it. Start this Spring by installing linoleum from VAN'S SHADE & LINOLEUM. You have a choice of new season styles on easy budget terms—no money down, 36 months to pay. Stop in now... our materials and service are tops.

We carry a complete line of Metal Awnings, Carpeting, Draperies, Formica, Aluminum Screens and Doors

## \$6000 Goal for Torrance Set in Red Cross Drive

An expanded goal of \$6000—to help provide for the pressing needs of the American Red Cross—will be the determined objective of fund raising volunteers from Torrance beginning Saturday.

Announcement of the 1958 Red Cross goal for this community was made yesterday by Chairman Dr. Don Moshos, as fund leaders from here and throughout the Southern Region prepared to journey to the Hacienda Hotel, San Pedro, for a noon luncheon to kick off the campaign.

**\$32,000 Goal**  
Residential goals totalling \$32,000 have been accepted by the region's six competing communities as follows: Gardena, \$3250; Torrance, \$6000; Palos Verdes, \$9000; Lomita, \$1000; San Pedro, \$9500; and Wilmington, \$3250.

"Because Red Cross must keep pace with the current tempo of our times, success of the 1958 campaign is mandatory," declared Dr. Moshos as he called for the combined cooperation of volunteers and contributing residents.

"An enthusiastic determination to succeed on the part of our volunteers must be matched with a generous response from the public if the Red Cross is to provide the expanded services demanded by our citizens," he stated firmly.

Two Services  
Dr. Moshos underlined two

Red Cross services—the blood program and the disaster service — which must be guaranteed "adequate financing" from the 1958 expanded fund appeal.

"A booming population—particularly in this part of the country—has brought about an acute need for more and more life-saving blood, and statistics indicate that the Los Angeles Chapter must raise \$650,000 (23 per cent) more than last year if it is to meet the demands for whole blood and its derivatives from 153 local hospitals.

With regard to the disaster service, Dr. Moshos pointed out that the reserve fund is still seriously depleted following

the national expenditure of \$51,000,000 on recent major disasters.

**Services Expanded**  
Demands upon the organization's educational services, such as water safety, first aid, and home nursing—all of which have had to extend their training programs to record lengths during the past two years, were also attributed to rapid increases in population.

Expressing the utmost confidence that people in Torrance will help volunteers achieve success in their campaign, the fund chairman concluded by stating that volunteers in three major units will seek funds under the direction of Mrs. Mary Page, residential

## Kiwanis Club Holds Party

More than 70 persons turned out for the annual "bring your own wife" party of the Walteria Kiwanis Club at the Jump 'N Jack Restaurant Saturday.

Special guests of the club were Mayor and Mrs. Albert Isen and Councilman and Mrs. Nicholas O. Draie. Entertainment was furnished by Harper and June Roisman, an Kiwanians danced to the music of Joe Sakai and his combo.

Corsages were "auctioned, stolen, and won" to swell the club treasury.

**VOLUME COMPARED**  
Volume of Jupiter is 1300 times that of the earth.  
Chairman: R. T. Wyatt, business chairman; and Harvey D. McCafferty, professional chairman.

# FLOOD DAMAGED LINOLEUM SALE!

Due to the extra heavy rain Wednesday, Feb. 19 & poor drainage our store at 135th & Crenshaw was flooded with about 3 inches of water. Consequently, all of the linoleum got wet on one end only. The damage is very slight and the linoleum is perfectly usable. Some is stained, some is just damp. All our regular prices have been marked down 1/3 to give you a real bargain. Come early for there is just the stock of this store on sale, sold "as-is". In addition to the flood damaged goods, we have restocked this store with regular warehouse stock at our regular prices.
